Dear Foxwood Neighbors,

On behalf of the newly elected Foxwood Board, we want to extend a sincere thank you to our community for the incredible participation in this year's annual meeting and election. Foxwood has 70 lots, and this year 57 homes were represented in the election — 23 in person and 34 by proxy. That level of engagement is truly encouraging and speaks to how much our neighbors care about this special place we all call home.

Your participation matters. Foxwood works best when neighbors stay involved, attend meetings, share ideas, and help shape the future of our community. We hope this strong turnout continues in future meetings because this is your neighborhood, and the Board is here to serve and represent you.

Our goal moving forward is to:

- Maintain transparent communication with the community
- Be good stewards of our land, trails, and shared resources
- Encourage neighborly connection and community involvement
- Ensure decisions are made with the long-term health of Foxwood in mind

We invite all neighbors to attend our next Board meeting:  
Thursday, April 2 at 6:00 PM

We would also like to extend our appreciation to Chris, Hannah, and the previous Foxwood board members who have served our community. Serving on the board requires time, effort, and a willingness to step forward on behalf of neighbors, and we thank them for their contributions to Foxwood.

Community participation and input are always welcome, and we look forward to continuing to build a positive, collaborative future for Foxwood. Thank you again for your involvement, encouragement, and care for our neighborhood.

With Appreciation,

Your 2026 Foxwood Board  
Jack Mandula — President  
Tony Wood — Vice President  
Tommy Klauber — Treasurer  
Cortney Hepburn — Secretary  
Nikki Olarsch — Director at Large

Sincerely,

Sunstate Association Management Group on behalf of Foxwood at Panther Ridge Homeowners' Association, Inc.
