Community Update

Here are a few important updates and reminders as we continue strengthening communication and community involvement in Foxwood.

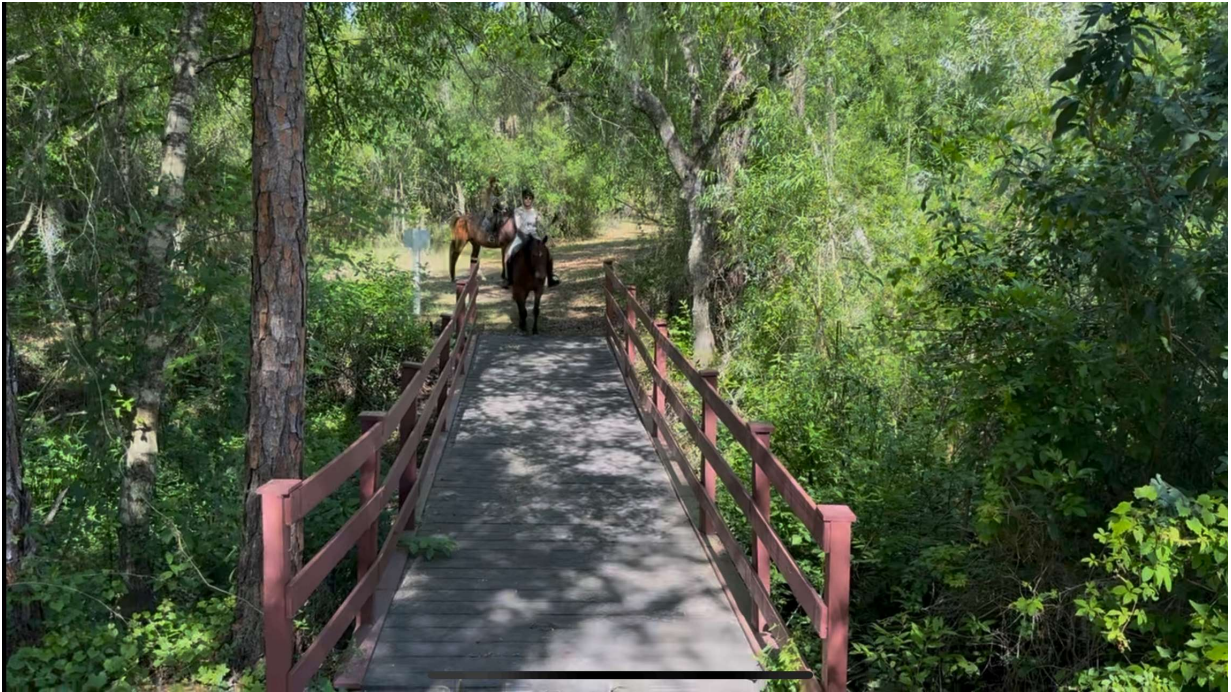

State Road 70/CR 675 Closure Update

C.R. 675 at S.R. 70 will be closed beginning April 20 through approximately June 20 while construction continues on the roundabout at Meadow Dove Lane. During this time, no traffic will be able to enter or exit C.R. 675 from S.R. 70. A detour will be posted via 61st Street and Verna Bethany Road. Additional roadway and shared-use path work along S.R. 70 is ongoing, with the overall project expected to continue through Summer 2027. Regular updates can be found [here](#).

Planning a Project?

Submit to the BRB First

Just a reminder that exterior property improvements (fences, landscaping changes, structures, etc.) — anything visible should be submitted through the BRB application process before work begins. This helps keep projects running smoothly and protects both homeowners and the Association. More details and applications [here](#).
