Several areas of our community roads need attention. Since the roads are maintained by the County, resident reports through Manatee 311 help increase visibility and priority for repairs.

How to Report:

- Call **311** within Manatee County
- Or call **(941) 748-4501**
- Or submit online through [Manatee 311](#)

Helpful tips:

- ✓ Submit individual reports
- ✓ Include photos if possible
- ✓ Reference specific road names or locations needing repair

Thank you for helping improve our community roads!

May 7 Board Meeting – Draft Minutes

Draft minutes from the May 7 Board meeting are now available for review linked [here](#). We encourage homeowners to stay informed and follow along as we continue working through community priorities together.

Root Beer Social Success!

Jack Mandula's home brew root beer floats before our May meeting were a hit — with neighbors *and even the librarians!* It was a fun opportunity to relax, visit, and get to know each other a little better.

If you have ideas for future neighborhood hangouts or activities, let us know — our Social Committee would love to hear them!

 **Next Board Meeting – June 4 @ 6:00pm**

Our next Board meeting will be held:

Lakewood Ranch Library

Thursday, June 4 at 6:00 PM

Zoom link will be emailed.

Planning a Project?

Submit to the BRB First

Just a reminder that exterior property improvements (fences, landscaping changes, structures, etc.) — **anything** visible should be submitted through the BRB application process before work begins. This helps keep projects running smoothly and protects both homeowners and the Association. More details and applications [here](#).
